Profile

Freelance writer and editor with a background in academic psychology. Proficient in creating high-quality corporate blog posts, SEO-optimised copy, and advice articles.

Experience

Content Writer, *Geoff Walters Marketing*. Nov 2015 – present:

Writes blog posts and longer-form pieces for various clients on topics including technology, internet security, business and entrepreneurship, and marketing.

- Received strong feedback on quality of writing, communication skills, and reliability.
- Gained a reputation for consistently meeting deadlines, and was assigned to projects where reliability was a specific concern for the clients.

Content Writer, *Inomics.com*. Jan 2015 – present:

Writes advice articles for academics, including students and senior researchers. Covers careers advice, study tips, technology/app recommendations, and language learning.

- Wrote the site's two most popular ever articles, shared hundreds of times on Facebook.
- Wrote university rankings which resulted in a ten-fold increase in search traffic to the site.

Proofreader, *RFID im Blick*. Oct 2014 – present:

Provides proofreading and English corrections for a technology industry trade journal.

- Received positive feedback on exceptionally fast turnaround times and good reliability.

Copywriter, *Sélection Prestige GmbH*. Oct 2015 – Dec 2017:

Provided blog posts, SEO-optimised copy, product descriptions, social media management, and email newsletters for a drinks website focused on hip hop fans.

- Promoted to UK Country Manager in Aug 2017.
- Grew Facebook and Twitter followers by 200% over a three-month period.
- Reorganised the UK blog and set up a regular posting schedule full of post ideas.
